

...a better clean

## LAUNDRY SOAKER

Euca Laundry Soaker is a high quality concentrate laundry soaker powder suitable for all fabrics, colours and stains. Use as a pre-wash or as an overnight soaker. You could even simply just add it to your wash to bring back whites and make colours bolder and brighter. Our soaker doesn't contain any harsh and harmful chlorine and is 100% soluble.

Natural eucalyptus oil helps deodorise and sanitise without the need for synthetic perfumes which can trigger skin or bronchial sensitivities.

Euca Laundry Soaker even removes stubborn stains on carpets, upholstery and work clothes.

- ✓ Made with pure Australian Eucalyptus Oil.
- ✓ Low sudsing and soil release agents.
- ✓ Low allergenic for those with sensitive skin.
- ✓ Ideal in hot or cold water.
- ✓ Removes stubborn soils and stains.
- ✓ Suitable for septic, bio and grey water systems.
- ✓ 100% soluble making it fast acting.
- ✓ H.E washing machine friendly.

Euca makes your machine new again.  
Recommended by washing machine experts and dish washer repairers.
