

Makita[®]

18Vx2 380mm (15") Lawn Mower

DLM382

Product Objectives

- Designed to suit the needs of landscapers, maintenance crews and home users
- Makita have developed a 18Vx2 lawn mower designed to be powerful, quiet, lightweight and easy to use

Product Overview

Product Specification Sheet

Grass box capacity	40L
Cutting height adjustment range	20 - 75mm, 13 heights
No load speed	3,700rpm
Max. cutting width	380mm (15")
Recommended mowing area	560m ²
Overall length	1,380mm
Skin weight	15.6kg
Weight (with battery)	16.8kg
Voltage	36V (18V x 2)

- **18Vx2 Motor** – powered by two 18V Li-ion batteries providing 36V of power and runtime without leaving the 18V platform
- **380mm (15") deck** – designed with a lightweight plastic for user convenience
- **Easy start** – push button start allows the user to quickly and easy start the mower at the touch of a button. Safety key also provided for additional safety
- **40L Catcher** – also included a grass level indicator, letting the user know whilst mowing that the catcher is full
- **13 stage height adjustment from 20-75mm** – allows the user to quickly and easily change the cutting height

Advantages

Power

Powered by 18Vx2 Technology for 36V of power and runtime

Design

13 stage height adjustment allows the user to select the ideal mowing height

Durability

EXTREME PROTECTION TECHNOLOGY

XPT Technology enhances the mowers protection against dust and moisture

Efficiency

Push button start for quick and easy start
no fuel needed

Product Replacement
