IT’S YOUR DECISION

The very best kitchen solutions from around the world have been brought together to create a stunning range of modular kitchens, all available to order today.

Durability is key across the entire Principal range with doors and drawer fronts in quality laminate, UV lacquer, acrylic, 2 pack painted finishes, special order personal colours, cabinets made in Australia, soft close drawers and Italian soft close hinges. The care and attention to detail we put into every kitchen makes a world of difference.

THE PRINCIPAL QUALITY

Every detail of the kitchen you’re about to discover has been designed around the very best in contemporary living. With clever storage solutions, the latest finishes and special touches to make your kitchen distinctly your own, Principal helps set a new standard in kitchen design trends. Discover durable and stylish benchtops and finish your room with sinks and tapware. From traditional looks to ultra cool and contemporary, there really is something to inspire everyone in a Principal kitchen.

Installing your Principal kitchen couldn’t be easier with all assembly hardware included in our cabinet packs such as hinges, soft close runners, screws and cabinet feet. No separate purchases of this hardware or fasteners are required.

FINEST QUALITY FINISHES

Our kitchens are finished with the finest quality doors and drawer fronts in Melamine, UV, acrylic and 2 pack painted finishes, Italian soft close hinges, soft close drawer runners and hardware from Häfele and Kesseböhmer. For the ultimate peace of mind, all of these components come with a 10 year guarantee.

PREMIUM 18MM DOORS

Quality and durability is key. Substantial 18mm doors on all our kitchens provide that premium feel and reduce the risk of bowing.

WITH YOU ALL THE WAY

Our in store designers are on hand to help you select the right kitchen for your home and your lifestyle. And they know every detail of the kitchens inside and out, to give you the right advice first time, every time.

AVAILABLE TO ORDER AND READY WHEN YOU ARE

Subject to availability, your kitchen will usually be ready to deliver in as little as 14 days.

OUR WARRANTY - BUILT FOR LIFE

Your kitchen is the heart to the home. So it’s great to know your Principal kitchen is backed by a 10 year guarantee. All cabinetry features solid backs, moisture resistant E1 Australian particle board, quality polymer edging on all exposed edges of the cabinetry and multiple support rails to take substantial weight. Which means you can be sure your kitchen will withstand the realities of modern life.

THE ENVIRONMENT

Principal kitchens are committed to the environment and reducing the impact we’re all having on the world’s natural resources. With that in mind, we created a very high set of environmental standards for our kitchens.

- > All cabinetry and doors are made using board supplied from controlled sources.
- > We use E1 (low formaldehyde emitting) rated timber board and panels in the manufacturing of all cabinets, doors and laminate benchtops.

PLANNING

ARE YOU READY TO PLAN YOUR NEW KITCHEN?

Visit principalkitchens.com.au today for a link to the Principal 3D planner to start designing. Measure your space and plan your new kitchen using our online kitchen designer. Create your room, choose kitchen style, drop and drag kitchen elements - once its complete, you can share your design with friends or print it out as a shopping list to take into your local store to order.

A new kitchen doesn't have to be hard work, this helpful planning guide is full of tips and advice to help you create your dream kitchen. First up, you need to think about the basics. What do you need from your kitchen? This is probably the most important question, because apart from looking great it really needs to function well.

THINK ABOUT THESE THINGS AND MAKE A LIST:

- > How will your family use it?
- > Do you need more storage than you have now?
- > Do you need more drawers or places to store pots and pans?
- > Will you need space for a dishwasher?
- > Is a pantry an option?

THE WORKING TRIANGLE:

Consider the natural flow between work zones in the kitchen. This work path is often referred to as the 'working triangle'. The working triangle illustrates the path between the most frequently used work areas, such as the fridge, sink and cooking appliances. Reducing the size of the working triangle will save you time and effort in your new kitchen. Using these four common kitchen layouts (Straight line, L-shape, U-shape and Galley), and referring to the working triangle, select the design most suited to your new kitchen.

L-SHAPED KITCHEN

One of the most common layouts is the L-shaped kitchen, ideal for homes incorporating a small table for dining in the kitchen space.

 = Fridge  = Cooktop  = Sink

STRAIGHT LINE KITCHEN

This layout is best when the space available for your new kitchen is limited. There is no working triangle shown because the workflow is based on a straight line.

U-SHAPED KITCHEN

If you have a large room, and want the most efficient working triangle, then the U-shaped kitchen is ideal. It is also perfect for the demands of a family, offering maximum storage space with many wall cabinet options.

GALLEY KITCHEN

This layout is featured in many homes, as it provides two opposing working and storage areas. Add a couple of bar stools to the island unit and this becomes a great kitchen for entertaining. Ideal for open plan living.

METRO
WHITE MATT, PREMIUM MELAMINE

METRO

Classic, timeless and clean lines. Metro white doors work perfectly in any kitchen. This sleek, straight line design is perfect for a studio space. The clean, simple lines hide a myriad of features like plate drawers with a smooth soft close motion. All at a price that will amaze you.

Benchtops, splashback, handles, sinks, taps, appliances and accessories are available as optional extras

ALFRESCO
WOODGRAIN MATT PREMIUM MELAMINE

ALFRESCO

Alfresco provides a modern fine grain timber look. This impressive galley style design with a contemporary colour scheme and bold accents is a classic example of a kitchen you would normally find in a designer apartment or home all with a smooth soft close action.

Benchtops, splashback, handles, sinks, taps, appliances and accessories are available as optional extras

BRIGHTON
LIGHT GREY GLOSS, UV LACQUER

BRIGHTON

Featuring UV lacquer with an ultra high gloss finish for high impact. Brighton is eye catching and stylish in neutral grey and has a matching colour polymer edge on the doors and drawer fronts.

Benchtops, splashback, handles, sinks, taps, appliances and accessories are available as optional extras

MISSION BEACH
WHITE GLOSS UV LACQUER

MISSION BEACH

Brighten up your kitchen with Mission Beach white gloss doors and drawers. Great for rooms needing protection against light due to the UV lacquer finish.

Benchtops, splashback, handles, sinks, taps, appliances and accessories are available as optional extras

FUJI WHITE
WHITE GLOSS ACRYLIC

FUJI WHITE

A stunning collection of ultra modern doors with a high gloss acrylic white finish and a stunning 3D glass effect edge - producing deceptively real glazed appearance. Pictured here in a galley design, the practical layout makes modern living easy and elegant.

Benchtops, splashback, handles, sinks, taps, appliances and accessories are available as optional extras

JAPANESE PEAR
WOODGRAIN GLOSS UV LACQUER

JAPANESE PEAR

Featuring a luxurious 3D edge, the high gloss UV lacquer doors offer an exceptionally modern glass effect and deceptively real glazed appearance. The galley styled L-shaped layout, pictured here, maximises the available wall space whilst allowing plenty of room for entertaining friends and family.

Benchtops, splashback, handles, sinks, taps, appliances and accessories are available as optional extras

PURITY
WHITE GLOSS 2 PACK PAINT

PURITY

A simple, yet sleek and modern high gloss white kitchen. The integrated J-pull handle routed into the door creates a sophisticated designer look and avoids the need for handles.

Benchtops, splashback, handles, sinks, taps, appliances and accessories are available as optional extras

SHAKER
WHITE SATIN 2 PACK PAINT

SHAKER

Shaker's crisp white colour and satin texture combination creates a simple kitchen of striking contrasts.

Drawing its inspiration from the classic European Shaker door, is instantly appealing and works equally well in a small space as it does in a larger one.

Benchtops, splashback, handles, sinks, taps, appliances and accessories are available as optional extras

HAMPTON
WHITE GLOSS 2 PACK PAINT

HAMPTON

Hampton is a timeless kitchen style and is immediately obvious why its appeal never diminishes. A classically styled white gloss finish with French cut detail and raised centre panel commands attention, whilst providing warmth and versatility to combine with a multitude of benchtop and splashback decors. Featured here is the Showcase glass door, a perfect match to the Hampton finish.

Benchtops, splashback, handles, sinks, taps, appliances and accessories are available as optional extras

NEWPORT
WHITE GLOSS 2 PACK PAINT

NEWPORT

Create the ultimate in crisp, sleek minimalist design with timeless gloss white Newport. The cool gloss finish of this sleek, modern kitchen creates immediate impact in your home.

Benchtops, splashback, handles, sinks, taps, appliances and accessories are available as optional extras

SORRENTO
DARK GREY GLOSS UV LACQUER

SORRENTO

Effortlessly eye catching, the high gloss finish of this sleek, modern kitchen creates immediate impact in your home. Features UV lacquered door with colour matched edging.

Benchtops, splashback, handles, sinks, taps, appliances and accessories are available as optional extras

BEAUMARIS
GREY METALLIC GLOSS ACRYLIC

BEAUMARIS

Chic in metallic grey, this kitchen has an ultra high gloss finish with an illuminating glass effect.

Benchtops, splashback, handles, sinks, taps, appliances and accessories are available as optional extras

KIRRA
WHITE SATIN 2 PACK PAINT

KIRRA

Made and crafted in Italy, the Kirra style provides a modern satin white finish and seamless 2 pack painted door.

Benchtops, splashback, handles, sinks, taps, appliances and accessories are available as optional extras

LAUNDRY

Design a laundry that looks great and functions well. Create a place for everything and showcase your interior style with complimentary finishes. Clever storage options, designer cabinetry and finishing touches are the ingredients of good design. The Principal Functional Laundry range has everything you're looking for and more.

OUTDOOR KITCHENS

Whether you're looking for a holiday getaway in your backyard or an entertainer's dream area, the new Outdoor Kitchen range from Principal will make it happen.

Take advantage of the many options including a beverage fridge and a variety of cabinet configurations, we make sure you can have all the creature comforts brought out doors with you.

Designed and manufactured from hard wearing materials that are water resistant ensure your Outdoor Kitchen will still be looking good even after many years of cooking and entertaining.

Featuring Australian made cabinets, premium Häfele hardware and Australian manufactured 12mm compact laminate benchtops and doors, the range is durable, antibacterial, water resistant and hard wearing.

With two door colours and four Benchtop colours to choose from, your Outdoor Kitchen can make a statement or sit unassumingly within your Outdoor area.

From morning to night, a family dinner or large gathering, the Outdoor kitchen is ready for it all.

GLASS DOOR RANGE

ALLURE
FROSTED GLASS ALUMINIUM FRAME

VISTA
WHITE SATIN, CLEAR GLASS 2 PACK PAINT

SHOWCASE
WHITE GLOSS, CLEAR GLASS 2 PACK PAINT

ALLURE

This modern design features frosted toughened glass and aluminium frame shown here with Mission Beach doors and drawers. Add in cabinetry lighting to complete the look.

VISTA

The Vista Single pane glass door is a timeless kitchen style and is immediately obvious why its appeal never diminishes. A classically styled white satin finish suits the Kirra & Shaker door finish.

SHOWCASE

The Showcase overhead doors feature 4mm toughened glass, a gloss white finish frame and is crafted in Italy. Paired here with the Principal Hampton doors, this style will give your kitchen an elegant and unique look.

*Glass doors available for short wall cabinets, 300mm , 400mm, 450mm

DESIRE PAINTED DOOR RANGE

The Desire painted door range has been developed to bring you unlimited options when designing your kitchen. You can choose from 4 unique door designs, unlimited colour options from the Dulux and Watty! colour palettes and two finishes.

We make sure our doors are easily installed while maintaining an aesthetic of perfection. We also guarantee all doors with a 10 year warranty and are confident in the quality of our products but we advise you clean your doors with care.

When cleaning your doors we suggest you use a good microfibre cloth to avoid scratching or damaging the surface. If the marks or stains are especially stubborn you can use a mild detergent and warm water on the microfibre cloth too.

DESIRE TEMPO DOORS

A seductive variety of timeless neutral colours and decorative finishes are offered in the MELAMINE doors & panels range.

VENETTE range offers an exclusive, pure matt finish with a fingerprint resistant technology, perfect for households with high-traffic areas.

RAVINE range showcases the best natural touch timber surface lightly coloured with warm and inviting shades.

WOODMATT finish has a fine textured surface that offers good durability while retaining a high degree of decorative clarity.

CUSTOMISED BENCHTOPS

MIROSTONE® BENCHTOPS

Mirostone® is a range of 20mm durable solid surface benchtops that have all the beauty and feel of natural stone combined with exceptional practicality.

Mirostone® is the perfect surface for domestic kitchens, but is equally at home in the bathroom or bedroom.

Mirostone® can be safely installed in your home using standard woodworking tools so therefore successfully avoids all the time consuming delays and inconvenience of other surfaces.

Mirostone® is a modified acrylic meaning unlike stone composites and other surfaces in the market, it can be repaired and renewed with ease.

PLANNING TIPS

WHAT TO DO

For ease of plumbing, place a dishwasher near the sink and allow a minimum 600mm space to 'house' it.

Allow a minimum 450mm either side of the cooktop for safety and extra working space.

Leave space between a cabinet and your wall so doors can be fully opened and the cabinet easily accessed.

Allow a minimum 1.2m between opposite cabinets for maneuverability.

Allow a minimum 650mm between your cooktop and rangehood.

WHAT NOT TO DO

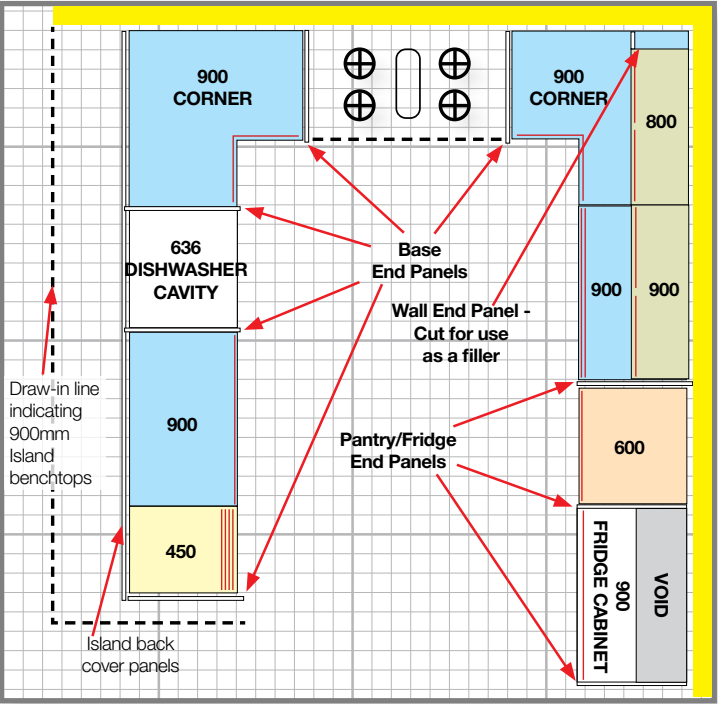

Don't place tall tapware in front of an opening window.

Don't place drawers in a corner where they can block other cabinets.

Don't place a cooktop next to a wall where it can cause overheating. Allow a minimum 450mm on either side.

Don't install a full set of drawers next to a cooktop. This can provide easy access to a hot cooking area for young children.

Don't place your dishwasher or stove in a corner where it can block other cabinets.

DESIGN HINTS
& TIPS

KITCHEN DESIGN EXAMPLE
Shown here is a sample of a kitchen design. This design highlights the cupboards used, and indicates where panels should be used. You'll notice that we have marked in a solid line, indicating the wall perimeter of the kitchen.

MEASURING TIPS

The first thing you need when you're thinking about a new kitchen is a working plan of your space. It's your starting point for designing, costing and building your perfect kitchen. We'll show you how to measure your kitchen space, locate your various services and fixtures, and then sketch your space on the grid provided.

With this sketch, you'll be able to plot a kitchen that suits your space and your needs. It is well worth taking the time to do this step correctly. It doesn't have to be a work of art, but it does need to be accurate.

1. BEGIN BY MEASURING YOUR WALLS

When measuring the widths of your walls, ideally measure at approximately 1m from the floor, keeping the measuring tape taut at all times (grab a friend to help with this step!). Starting in one corner of the room, measure to the adjacent wall and write down the measurement in millimetres. Go all around the room until all walls are measured. On a spare piece of paper, create a quick, rough sketch of your room shape and note your measurements against it as you move around the room. This will help to ensure you don't accidentally muddle up your measurements later on!

2. MEASURE YOUR CEILING HEIGHT

You'll need to know where to position the cabinetry on your wall, and that you have enough room for them. It's best to measure your ceiling height in several places, as floors can be uneven. Write down your measurements.

3. CREATE A SKETCH

Use the grid on the next page to create a sketch of your kitchen floor plan, and then transfer your measurements. See above for example.

4. MEASURE YOUR FIXTURES

Measure any windows and doors, remembering to always measure from the outside edge of the architrave. Also take measurements of their location on the wall, i.e. how far is the window located from the corner of the wall and how high is it from the floor.

5. LOCATE YOUR SERVICES

Find all your utility and services like electrical points, gas and plumbing and mark the relevant symbols onto your plan. Again, remember to note their height and position on the wall. Symbols for the different utilities are shown below.

UTILITIES SYMBOLS

 PHONE JACK

 GAS OUTLET

 ELECTRICAL OUTPUT

 WATER OUTPUT

END PANELS & CAVITIES

TYPES OF PANELS AND THEIR PURPOSES

There are five types of panel you can install to give your new kitchen a clean finish. Each panel has a different purpose, explained below.

A. Base End Panel

Finishing exposed sides of base cabinets; placed either side of dishwasher cavity.

B. Wall End Panel

Finishing exposed sides of wall cabinets; used as filler panels (after cutting).

C. Pantry End Panel

Finishing exposed sides of pantry cabinets; to create a fridge box (the sides of the fridge wall cabinet); used as filler panels.

D. Island Back Panel

Finishing the cabinet backs of an island bench.

E. Kickboard

Hides adjustable feet of the base and pantry cabinets.

KITCHEN CAVITIES

Here are some useful measurements when planning out your kitchen cavities, commonly spaces for dishwasher and fridge.

Dishwasher cavity: Leave a space of 636mm or more between two base cabinets. Base end panels are 18mm thick, so when you fix a panel to each exposed cabinet side there'll be at least 600mm of space for your dishwasher.

When using end panels for a dishwasher cavity, use wall end panels either side of a 600mm wall cabinet to keep alignment of your base and wall cabinets.

Fridge cavity: A space of 900mm in width should be sufficient, but check before you go ahead. You can also choose to mount an overhead fridge cabinet, between two pantry end panels. As the image shows, the fridge wall cabinet will mount to the front of the pantry end panels.

If you're still a bit uncertain about measuring up your kitchen properly, ask one of our kitchen expert's in-store for more information.

DESIGN SPACE

Measure and map out doors and windows. Make a note of which way they open. Locate and mark your plumbing and electrical outlets. Transfer all your measurements to the grid, and start designing!

DELIVERY & INSTALL

HOME DELIVERY

Your Principal kitchen is available for you to take home from your local store, flat-packed for transportation. Or we can arrange delivery to your home if you'd prefer, for an additional fee. Just ask one of our staff for more information (NB: 14 working days should be allowed for any items that need to be ordered in to complete your kitchen).

INSTALL IT YOURSELF

The Principal kitchen range is conveniently packed, making it simple for you to assemble and install. All cabinets are pre-drilled with all assembly hardware included. Alternatively, speak to our staff who will be able to refer you to a suitable local trade professional to quote for the installation of your kitchen.

Install guide available at www.principalkitchens.com.au

6 CABINET DESIGN

To help determine which kitchen is the right match, we have developed a pricing comparison guide for you. Please see in-store for Principal kitchens pricing. Based on a typical six cabinet straight line kitchen, the comparison guide makes it easy to compare the pricing for each of the styles.

Cabinets	Doors & Drawer Fronts	Panels	Benchtop
1 x 450mm Pantry	1 x 450mm Pantry Door	2 x Pantry End	1 x 600mm (deep) Laminate
1 x 900mm 2-Drawer	1 x 900mm 2-Drawer Pack	1 x Base End	
1 x 600mm Oven Base	1 x 450mm Door	1 x 600mm Oven Panel Pack	
1 x 450mm Base	1 x 450mm 4-Drawer Pack	2 x 2400mm Kickboard	
1 x 450mm 4-Drawer	2 x 300mm Door		
1 x 600mm 2-Door Base

ESSENTIALS CHECKLIST

Every great Kitchen project needs to have all the essential components. Use this checklist to make sure you have all your bases covered before you build.

Have you marked on your plan before designing:

- Water and waste ☐
- Doorways and windows ☐
- Electrical outlets and existing lighting ☐

Have you selected your finishes:

- Doors and drawer fronts ☐
- Benchtop ☐
- Splashback ☐
- Wall paint ☐
- Flooring ☐

Have you included these essentials in your design:

- Drawers for cutlery ☐
- Fridge ☐
- Pantry ☐
- Handles for your cupboards ☐
- Oven ☐
- Cooktop ☐
- Rangehood ☐
- Sink ☐
- Lighting ☐
- Bin ☐

Have you selected your functional storage?:

- Pantry solutions ☐
- Base storage ☐
- Corner solution ☐
- Overhead storage ☐
- Drawer organisation ☐
- Waste & Laundry management ☐

WARRANTY INFORMATION

WARRANTY AGAINST DEFECTS

1. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Where a failure does not amount to a major failure, the Independent Hardware Group is entitled to choose between providing you with a repair, replacement or refund. To obtain compensation, you would need to provide documentary evidence of the loss or damage suffered, and documentary evidence that such loss or damage was a reasonably foreseeable consequence of a failure by the Independent Hardware Group to comply with a consumer guarantee under the Australian Consumer Law. Such evidence may include photographs, statutory declarations, receipts or reports (eg from your doctor), depending on the loss or damage.
2. In addition to all rights and remedies to which you may be entitled under the Competition and Consumer Act 2010 and any other relevant legislation, the manufacturer warrants Principal kitchens to be free from defects in workmanship for a period of 10 years from the date of purchase.
3. In order to claim under this warranty simply visit the Independent Hardware Group store (Mitre 10, Home Timber & Hardware, Thrifty-Link or True Value Hardware), along with proof of purchase (typically this will be a receipt) and evidence of the fault (for example, a photo of the fault in the relevant product). Any cost incurred by you in bringing the product or evidence of the fault to the service desk will be borne by you. An inspection may be required. We will then arrange, at our option or at the option of the manufacturer, to either repair or replace the product, or refund your money and take back the product — in accordance with our Returns Policy, a copy of which is available in store.
4. Our liability under this manufacturer's warranty is subject to us being satisfied that a defect was caused by defective workmanship, and was not caused by or substantially contributed to by other factors or circumstances beyond our control, including (but not limited to) defective installation, maintenance or repair, alteration or modification of the product in a manner not recommended by the manufacturers or any neglect, misuse or excessive use.
5. The benefits conferred by this manufacturer's warranty are in addition to all rights and remedies conveyed by the Competition and Consumer Act 2010, and any other statutory rights to which you may already be entitled, and this warranty does not exclude, restrict or modify any such rights or remedies that are implied by law.
6. This warranty is provided by the Independent Hardware Group - Mitre 10 Australia Pty Ltd
ABN 98 009 713 704. Home Timber & Hardware Group Pty Ltd ABN 64 004 037 049.
1/19 Corporate Drive, Heatherton, VIC 3202. Phone: 1300 880 440.

OUTDOOR KITCHEN WARRANTY

Principal Outdoor Kitchens are supported by a 10 year warranty for further information please visit www.principalkitchens.com.au

IMPORTANT - PLEASE READ:

All information and tips in this publication are of a general nature only and The Independent Hardware Group does not warrant the accuracy or completeness of the information and tips in this publication. This publication is not intended to be a substitute for expert advice. The Independent Hardware Group advises you to always consult an experienced and qualified person when undertaking jobs of this kind (including consulting a qualified trades person such as an electrician or plumber where relevant expert services are required). You should also consider any safety precautions that may be necessary when undertaking the work described in this publication (including wearing any necessary safety equipment such as safety glasses, goggles or ear protectors or hard hats). The information and tips in this publication are provided on the basis that The Independent Hardware Group excludes all liability for any loss or damage which is suffered or incurred (including, but not limited to, indirect and consequential loss or damage and whether or not such loss or damage could have been foreseen) for any personal injury or damage to property whatsoever resulting from the use of the information and tips in this publication. The Independent Hardware Group also notes that there may be laws, regulations or by-laws with which you must comply when undertaking the work described in this publication. You should obtain all necessary permissions and permits from council and/or any other relevant statutory body or authority before carrying out any work. Colours shown are as close as possible to actual product colours.

Always confirm your choice with the sample products shown on the in-store displays. Independent Hardware Group reserves the right to correct any printing errors.
