PRINCIPAL DOORS FOR YOUR LAUNDRY

The Principal range features 18mm doors as standard and are manufactured using only sustainable timber sources.

Quality and durability is key across the entire Principal range. Offering doors and drawer fronts in laminate, UV, acrylic and 2 pack painted finishes. The substantial 18mm doors provide that premium feel and reduce the risk of bowing.

A seductive variety of timeless neutral colours and decorative finishes are offered in the **MELAMINE** doors & panels range.

RAVINE range showcases the best natural touch timber surface lightly coloured with warm and inviting shades.

WOODMATT finish has a fine textured surface that offers good durability while retaining a high degree of decorative clarity.

ULTRAMATT range are an acrylic, premium surface with fingerprint and scuff resistant properties, perfect for households with high-traffic areas.

DESIRE PAINTED DOORS

The Desire painted door range has been developed to bring you unlimited options when designing your laundry. You can choose from 4 unique door designs, unlimited colour options from the Dulux colour palette and two finishes.

We make sure our doors are easily installed while maintaining a look of perfection. We also guarantee all doors with a 10 year warranty and are confident in the quality of our products but we advise you clean your doors with care.

HÄFELE

TARGETED CONTROL OF LIGHT EFFECTS. WITH HÄFELE **CONNECT**.

Häfele Connect is the new system for intelligent and wireless light control, creating the perfect atmosphere for many different situations with light.

The Loox LED system offers optimum solutions for any requirement. With Häfele Connect, you can connect and control all components centrally and design the light effects to suit the occasion. Control is effortless using a smartphone or tablet. The Häfele Connect app connects itself to the Connect BLE boxes via Bluetooth.

Häfele Connect provides a comprehensive range of control options, including control of the light colour with RGB lights or adjustment of the colour temperature with multi white lights. Different lights can be grouped together, allowing many scenarios to be stored and time-controlled or called up with a simple finger press. Simple and elegant.

PLANNING

Are you ready to plan your new Laundry?

Visit principalplanner.mitre10.com.au today to start designing. Measure your space and plan your new Laundry using our online design tool. Create your room, choose laundry style, drop and drag elements - once it's complete, you can share your design with friends or print it out as a shopping list to take into your local store to order.

A new laundry doesn't have to be hard work, this helpful planning guide is full of tips and advice to help you create your dream laundry. First up, you need to think about the basics. What do you need from your laundry? This is probably the most important question, because apart from looking great it really needs to function well.

Think about these things and make a list:

- > How will your family use it?
- > Do you need more storage than you have now?
- > Do you need drawers?
- > Is a pantry an option?
